# Zippy folding workstand

The **Zippy folding workstand** from **UpRight** is a multi-purpose work tool that is ideal for contractors and building maintenance projects, indoor or outdoor. **Zippy** comes complete with 360° rotational locking casters and a high rigidity anti-slip platform. It simply snaps out for use and folds up for easy handling and storage.

Use **Zippy** as a 3 level workstand, a workbench or a highly maneuverable trolley to transport tools and materials.

**Zippy** is easy to transport, passes through a single standard doorway and is ready for use in seconds. Meets all applicable OSHA and A.N.S.I. requirements.

Specifications	Zippy workstand
Max. working height	10ft.
Max. platform height	4ft.
Safe working load	500lbs.
Overall height	77.5ins.
Width	29ins.
Length	79ins.
